Charlotte Ransley

I live in Kidderminster with my husband and two young sons, and lived in Foley Park and Hoobrook for almost two years.

I am very keen to be involved in regenerating the local area and feel that it could be improved with more places for young people to go, ensuring communal areas are tidy and pleasant. I would like to support local residents with anything that I am able to.

I want to be seen and approached by local people. If you have any ideas, problems or issues that I would be able to assist with, I would like to hear from you.

I feel that as a local councillor the onus would be on me to give time, to listen and not to take, and to offer plenty in return.

William Moule

I have lived in the Wyre Forest Area for much of my life, in both Kidderminster and Stourport.

My priorities are the needs and aspirations of the residents of Foley Park and Hoobrook.

I want to make Kidderminster a town people can take pride in and embrace all it has to offer.

If elected I would aspire to be a community leader who people could go to and express their thoughts and concerns about the local area.

I would love to serve the people of Foley Park and Hoobrook, and be a voice for their community on the Town Council, making sure their voice is heard.
