Nick Savage

Nick Savage is a name well known to you for several years as a Labour community activist for Offmore and Comberton.

I formerly worked for the Ministry of Defence and as Commercial Manager with Kidderminster Harriers.

I've lived within Wyre Forest for over 35 years and have a passion for the area.

My priorities are to influence decisions on crime prevention, highways and to plan for the well-being of this ward and the Town.

I wish to serve Offmore and Comberton as a community leader, giving guidance and support.

Liam Carroll

I have lived in Comberton for most of my life and currently I'm completing sixth-form at King Charles after which I intend to do an apprenticeship.

I am a regular volunteer at the Kidderminster branch of Worth Unlimited and helped the charity provide food to families across the Wyre Forest during the pandemic.

I am passionate about equality and if elected, I will make sure that the voice of people under-represented in politics is heard in the Town Council.

It is important that young people, like me, are also elected so that the Town Council works for all of us.

I will work to ensure that the Town Council helps deliver a positive future for Kidderminster.
