

# VOTE SARAH ROOK - MAY 6TH

## **SARAH ROOK**

### **WYRE FOREST LABOUR CANDIDATE FOR KIDDERMINSTER TOWN COUNCIL - BROADWATERS WARD**

I have a proven track record of standing up for our community and its residents, as a community activist and councillor. I have worked on numerous campaigns to make sure that our area isn't sold short.

I am passionate about using my skills and knowledge to help keep our area a great place to live. If you re-elect me, I will continue to work tirelessly to deliver what people in the area need.

## THE ISSUE OF LOCALISM

Recently I made the difficult decision to vote to increase the Council Tax for Kidderminster. I did this because I understand and appreciate the benefits of our local parks, and the need to preserve these wonderful green spaces in our area.

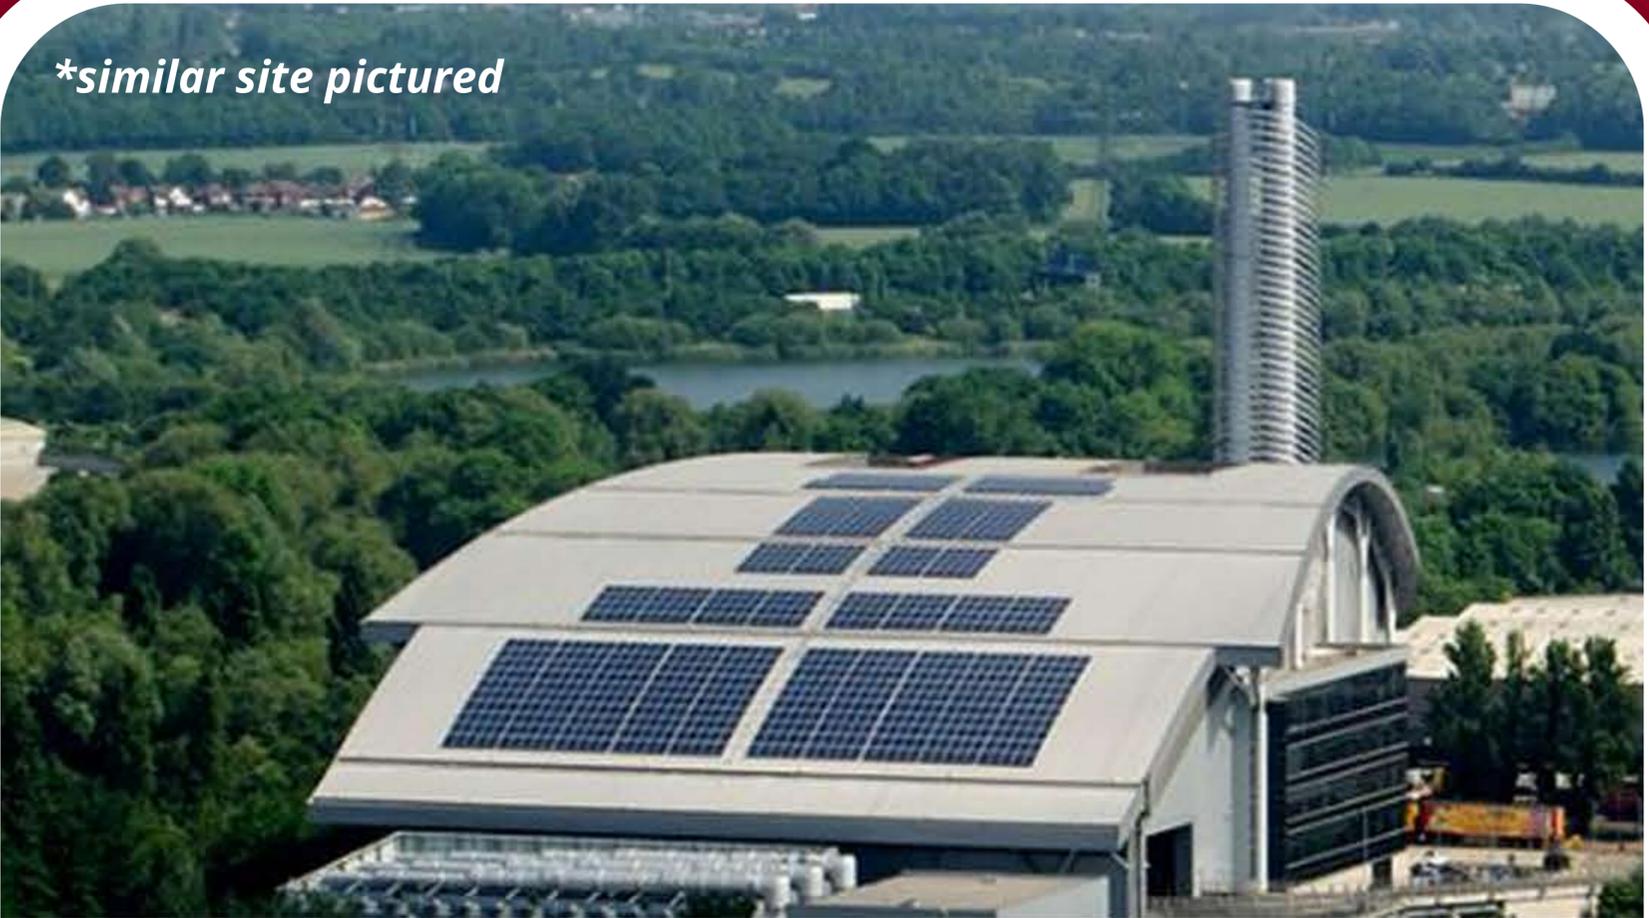

Kidderminster is the largest of the three towns in the Wyre Forest, with a population of over 55,000 residents.

**Town Councils across the district are keen to develop their activities and deliver more local services - this can only be a good thing.**

This is our opportunity to play an even more significant role in the local community.

## STOURPORT ROAD INCINERATOR\*

Worcestershire County Council recently reopened consultation on the proposed incinerator on Stourport Road, because they were not satisfied with the original planning application.

I and other members of Wyre Forest Labour have been involved in the *Wyre Forest Against Incineration* campaign from the start, so I felt it was an easy choice to vote against it again.

**The incinerator is not a renewable energy plant - it will increase traffic and pollution, and have a negative impact on residents' health. I firmly object to it.**

I will always support measures that improve our local environment, and keep Wyre Forest clean.

## LEA CASTLE QUARRY

A decision is soon to be made on the proposed construction of the Lea Castle Quarry.

**I would like to thank everyone who has put objections forward to support the campaign against the proposals.**

Please check the local news and the Stop Lea Castle Quarry Facebook page for updates.
